December 17, 2013

Ms. Michelle Rangel  
Assistant County Attorney  
Fort Bend County  
301 Jackson Street, Suite 728  
Richmond, Texas 77469

OR2013-21944

Dear Ms. Rangel:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 508690.

Fort Bend County (the "county") received a request for the current contract agreement between the county and Securus Technologies ("Securus") and any subsequent attachments or addenda to the contract. Although the county takes no position with respect to the submitted information, you state its release may implicate the interests of Securus. Accordingly, you state, and provide documentation demonstrating, the county notified Securus of the request for information and of its right to submit arguments stating why its information should not be released. *See* Gov't Code § 552.305 (permitting interested third party to submit to attorney general reasons why requested information should not be released); Open Records Decision No. 542 (1990) (determining statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception in certain circumstances). We have reviewed the submitted information.

An interested third party is allowed ten business days after the date of its receipt of the governmental body's notice to submit its reasons, if any, as to why information relating to that party should not be released. *See* Gov't Code § 552.305(d)(2)(B). As of the date of this letter, we have not received arguments from Securus. Thus, Securus has failed to demonstrate it has a protected proprietary interest in any of the submitted information. *See id.* § 552.110(a)-(b); Open Records Decision Nos. 661 at 5-6 (1999) (to prevent disclosure

of commercial or financial information, party must show by specific factual evidence, not conclusory or generalized allegations, that release of requested information would cause that party substantial competitive harm), 552 at 5 (1990) (party must establish *prima facie* case that information is trade secret), 542 at 3. Accordingly, the county may not withhold the submitted information on the basis of any proprietary interest Securus may have in the information.

We note the submitted information includes insurance policy numbers subject to section 552.136 of the Government Code.<sup>1</sup> Section 552.136(b) provides, “[n]otwithstanding any other provision of [the Act], a credit card, debit card, charge card, or access device number that is collected, assembled, or maintained by or for a governmental body is confidential.” Gov’t Code § 552.136(b); *see id.* § 552.136(a) (defining “access device”). This office has concluded insurance policy numbers constitute access device numbers for purposes of section 552.136. Open Records Decision No. 684 at 9 (2009). Thus, the county must withhold the insurance policy numbers we have marked under section 552.136 of the Government Code. As no exceptions to disclosure have been raised for the remaining information, the remaining information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. Sincerely,

Amy L.S. Shipp
